

Thanks Bill Esposito for the pictures

Weather forecast for Gadsden, AL this weekend looks decent so plan to take advantage of their beautiful swimming pool complex!

River Country Rally Update August 2-4

We are now up to 18 coaches for this weekends rally. Yeah! With that in mind, we will be meeting at the River Country Club house (next to their office) instead of our campsite (as first announced) to accommodate all at 5pm on Friday before car pooling to The Top O the River for a 5:45-7:45 dinner reservation in our private dining room. Please tell all your friends who are attending...

Thanks Terri Jones
