Rates are \$77 and will go up for 2025. No rally rate. Use 10% military, 50% off Passport, or 10% Good Sam). Ask for Michele (super nice person). Has a Social Hall with refrigerator. Stove is already turned off but if the hosts really, really need it, Michele can find a maintenance guy to try to turn it on. So, I wouldn't bank on a stove for cooking.

This park is still listed as a Passport Park. Will confirm passport discount in January, 2025. No rally rate. When making your reservation, do NOT mention a group at all. They will NOT take group reservations any more. Just make your reservation as an individual and use whatever discount card you have - preferably Passport for biggest discount. We will use the overhang or area by the pool for meals, like we always do as a group.
